

Dear Parent/Guardian,

Thank you for considering the Premiere Softball Academy Camps and Clinics. We offer a scholarship program for families with children aged between 5 and 14 who reside in San Mateo County and are unable to afford the full cost of our camp or clinic sessions.

We have limited scholarships available, and they are allocated on a first-come, first-served basis. Please note that scholarships are only granted to cover a portion of the camp/clinic fees.

To apply for a scholarship, please complete and submit the attached forms in full. If you have not yet registered for the camp/clinic, please submit your registration forms along with the scholarship application. You can find the registration forms and the Camp/Clinic brochure on our website at psasoftballacademy.com.

If your scholarship application is approved, you will be required to pay the designated deposit at the time of acceptance and adhere to the required payment schedule. Please refer to the acknowledgment form for more details on the deposit and payment schedule.

In order to apply for a scholarship for each child in your family, please fill out both sides of the form and ensure that all information provided is accurate and complete.

Award process

We understand that financial information is sensitive and hence, we assure you that it will be kept confidential. We will only use it to determine your eligibility for the scholarship.

If your family is offered a scholarship spot, you will receive an email with instructions for the next steps. To confirm the spot, you must complete payment for your family contribution within 5 days. Failure to do so will result in the scholarship spot being offered to another applicant.

Please note that scholarship rates cannot be combined with any other discounts or promo codes. Further, scholarships cannot be applied to sessions that have already been purchased.

Lastly, we welcome small cash contributions from other families that can help more families attend classes and camps!
